Repo: github.com/scelsic2/tech-blog

Deployed: boiling-gorge-97887.herokuapp.com/

- A tech blog where users can make blog posts and comment on other users' blog posts.
- HTML5, CSS, JavaScript, Node.js, Express.js, MySQL, Sequelize, REST API, user authentication

Previous Work Experience

Student Accessibility Services at the University of South Florida

Tampa, FL

Associate Director

09/2017 - 03/2023

- Oversaw operations of the accommodated testing center which administered an average of 7,500 exams per calendar year.
- Developed all testing center procedures and maintained all procedural documents.
- Developed and maintained the online training course for testing center proctors, inclusive of over 50 hours of content.

Coordinator

09/2012 - 09/2017

- Managed caseload of over 350 college students with documented learning disabilities and/or mental health diagnoses.
- Facilitated the Workforce Recruitment Program for over 100 students to increase the employment of persons with disabilities in the federal workforce.
- Created a casework training manual used by all new Coordinators to increase efficiency in training.

Exam Coordinator

01/2011 - 09/2012

- Managed schedule of over 3,000 university exams per calendar year.
- Based on student, faculty, and staff feedback, adapted existing exam administration procedures to increase consistency in testing center practices and communications.
- Prepared end-of-semester exam reports to identify areas for improvement and to establish goals for each subsequent semester.

Exam Proctor

08/2009 - 12/2010

- Maintained calendars and records to ensure students received reasonable accommodations for over 1,000 university exams.
- Proctored exams and handled testing materials to ensure student confidentiality and to maintain academic integrity.
- Converted over 50 books into electronic formats for students requiring assistive technology.
